The Wilmington Plaza, a shopping center being built by the DeMoulas Brothers of Lowell will open their Supermarket next Wednesday, September 9.

The first of 20 stores, the DeMoulas Supermarket will open their doors to the public and will be followed in short order by the Eliot Floor Tile Co., Highland Cleaners and a luncheonette.

A mural showing the Wilmington High School will be noted on the wall, and the overall interior setting is pleasing to the shopper. Acres of parking space will insure the shopper of the convenience of parking close to the stores, keeping transportation of merchandise down to a minimum.

Opening day will find some lucky shopper the owner of a 1959 Ford Galaxie, and 100 other shoppers with a \$5.00 grocery order. Wilmington which has long been ready for this type of shopping convenience will vastly benefit from this enterprise and the opening day should find throngs of eager shoppers taking advantage of this modern, speedy, and economical system of shopping made pleasant.

TEMPER, TEMPER. GRAVEL TRAVEL LATEST EPISODE

Temper flew anew last Saturday, in the gravel war, this time from residents in North Reading near the North Reading Wilmington line. Large throngs blockaded the Concord Street area where gravel is being removed by Steve Hathaway to provide fill for the new route #93.

Led by their Chairman of the Board of Selectmen, Malcolm MacCrae, the residents strongly protested the removal of gravel from their town, feeling that the land area was being stripped and left in a deplorable condition.

The gravel removal operator was told that his operation would have to stop that date.

Monday morning, the equipment used in digging gravel was found to be badly damaged, with wires torn off and windows broken. The entire Board of Selectmen of No. Reading, Malcolm MacCrae, Paul Ryan and Charles Stituti, along with a cruiser went into the pit site. The entrance to the pit is from Wilmington and they had to pass a newly made road through a section of Wilmington to get to the site of operations. Making certain that no gravel was being removed, the Selectmen and the police cruiser then started to leave the area, only to find that their passage was blocked by a truck which was pulled across the road.

A delay of almost an hour was affected, until such time as the No. Reading Safety Car entered on the scene with the Police Chief, followed by Atty. Richard Sheppard, representing Steve Hathaway. After some dialogue, keys were produced and the truck was removed.

All parties concerned then went to Woburn Court, to take legal action. A suit was brought against Steve Hathaway by the Town of Reading and a Mr. Dunne. At the same time, a was brought against Steve Hathaway and Mr. Dunne by the Town of Wilmington.

The Registry of Motor Vehicles was then notified that trucks were being overloaded and sent a man there to check weights. Two more inspectors arrived and some trucks were taken to a weighing station to be checked for overloading and five or six trucks stopped were found overloaded. Four of the trucks stopped, however, were from a pit in No. Reading, which is supplying gravel for Route 128 and is using the Wilmington street for traveling to their destination.

At this writing, trucks are still hauling from the pit in No. Reading, with smaller loads.

WILMINGTON P.O. ASKED TO VACATE

The Wilmington Post Office has received their notice that the building in which they now operate has to be vacated within ninety days, according to Mrs. Woodside, owner of the building.

FAREWELL RECEPTION FOR STUDENT PASTOR AT METHODIST CHURCH

Following the service of worship on Sunday, September 6 a farewell reception will be held for the Rev. Richard McFarland, who has been the Student Assistant Pastor of The Wilmington Methodist for the past year. Arrangements for the reception are being made by the Church Lay Leader, Richard Pelletier and his wife Ardis. A gift of money will be presented to Mr. McFarland during the worship service and families of the church and community who wish to share in this gift are invited to send their contribution to the church before Sunday.

The Rev. Richard E. Harding will conclude his series of three messages by preaching on the topic: 'The Great Concern'. Miss Libby Sanborn will be the soloist and Mrs. Raymond will conclude her leadership as summer organist and director of music.

The Summer School program conducted under the leadership of Rev. McFarland will come to a close on this Sunday. Families are reminded that the nursery for small children and infants, classes for all preschool children, and children in grades one, two and three are held during the worship hour.

The fall schedule of the church will begin on Sunday, September 13 when the morning worship service will be held at 10:30 a.m.

WILMINGTON DEMS WHIST PARTY

The Wilmington Town Democratic Committee, after weeks of planning by Mrs. Elizabeth Kelley and Mr. Ernest Crispo as chairmen, with all members assisting as their committee, will hold their whist party at the D.A.V. Hall, Grove Ave., Wilmington, on Wednesday evening, September 9 at 8 o'clock.

A grand array of prizes will be on display and a door prize will be awarded.

The highlight of the evening will be the drawing to go to some lucky winners.

Refreshments will be served and the public is cordially invited.

Stating that "they had waited long enough for Urban Renewal to follow through with planning for the Center", Mrs. Woodside added that the P.O. space would allow their drugstore to expand in floor space and enable them to add additional office space.

"A year and a half ago, we wished to expand the drug store area but we waited to see what plans Urban Renewal had for the Square, and were willing to go along with what was planned. We feel that the DeMoulas Shopping Center will seriously affect any planning for a shopping center in the area that had been proposed for their plans, and it is inconceivable that the town could support two such Centers," stated Mrs. Woodside.

Plans are for enlarging the Drugstore, a restaurant and offices for a finance company.

The present site of the Post Office has caused much frustration to people wishing to pick up their mail but who were unable to find parking space.

The request for vacating the premises will be sent to the Post Office Department in Washington D.C. The present lease is for ten years and still has some years to run. The lease can be broken by the Post Office Department, however, if it sees reason to do so. It is common knowledge that the present site is much too small for the volume of business being transacted there and some of the office furniture is stored on account of inadequate space.

Two recent developments in the last year have sounded the death knell of Urban Renewal in Wilmington.

The failure of the Urban Renewal Board to give the people of Wilmington any definite plan, description, cost outlay and anticipated revenue, has had citizens asking 'what gives?'

The Wilmington Plaza, a Shopping Center being built by the DeMoulas Brothers, will be opening next week. This Center will consist of a Main DeMoulas Supermarket, and 18 to 20 stores of various businesses eventually. Unlike Stop and Shop or the First National, DeMoulas have gone ahead with their plans and built, regardless of the prospect of a possible site for some such project in another area as proposed by the Urban Renewal Program.

The plans that are being formulated by The Woodside Drug in the Center call for the Post Office to look for new quarters. If matters proceed at the usual normal pace, it's easy enough to figure that the logical place for a Post Office would be in the DeMoulas Shopping Center. If and When this event should take place, the hopes of Urban Renewal take another blow.

We feel that the town has 'missed the boat' on Urban Renewal. When a meeting is called for a vote on acceptance of the program, and the citizens learn just what the expenses will be, and the potential return in dollars for their investment, they will bear in mind that the Wilmington Plaza is already in operation, can satisfy their needs, -- and any way -- isn't a bird in the hand worth two in the bush?

"These days a child who knows the value of a dollar must be mighty discouraged."

"There's no incentive to succeed these days--you can live too comfortably as a failure!"

WILMINGTON YOUTH CANTEEN

The Wilmington Youth Canteen's Beach Party last Saturday was a big success. Fifty youngsters boarded a bus at Wilmington Common at 10 a.m. and were at Stage Fort Park, Gloucester an hour later.

The day was only slightly marred by somewhat cool weather, however, swimming and diving were enjoyed by the more daring ones who could take Cape Ann's frigid waters. Other activities included: eating, exploring, rock climbing, dancing, eating, stunts, games, eating, and just plain relaxing.

The Youth Committee recently elected their officers for the coming season. They are: Roger Luken, President; Ronald Pupa, V. President; Diane Zaccagnini, Treas. and Carol Bright, Sec. They are presently hard at work on their by-laws and a code of conduct for the Canteen.

A calendar of Youth Activities for the year is also being discussed. Some of the events mentioned are: a roller skating party, splash party, bowling night and a New Year's formal dance.

The next meeting of the Adult Committee will be held next Wednesday, September 9 at 8 p.m. sharp at the Canteen. Adults who are interested in participating in the activities of the Youth Canteen are asked to attend this meeting. One of the important subjects to be discussed is the difficulty in obtaining chaperons for Friday and Saturday evenings. The lack of chaperons has been hampering the activities of the group, and last Saturday prevented the Canteen from opening.

It is hoped that sufficient chaperons can be obtained for the coming year so that this situation might not occur again.

Unbarassing

Some newspapers have a habit of copying stories out of other papers, and pretending they didn't. It will work for a while, but once in a while the paper which writes the story makes a mistake.

The Lowell Sun made such a mistake a couple of weeks ago, and it was copied, by a paper which should be red in the face.

(Editor's Note)

It is evident that Lauz is talking about himself as one can see by comparing the stories about the Shamrock Drive-In Burglary.

GANG FIGHTS AND MOB RAIDS

On August 24, 1959, Registrar Clement A. Riley sent out the Investigators from his office of Special Investigations to pick up in hand the licenses and registrations of the youths in the Lynn-Swampscott-Marblehead area who attacked the Nahant Police officers on Thursday, August 20 when one of their youthful offenders was arrested and held on a drunkenness charge.

The Registrar felt that these people had misused their privileges of the operation of a motor vehicle to bring this gang to the police station in an attempt to release the prisoner.

Registrar Clement A. Riley stated that wherever there is a gang fight or any mob raids where motor vehicles are involved, he will take this immediate action as a weapon to curb any future affairs of this kind.

Don S. Greer, President, J.W. Greer Company, Wilmington, Mass. food machinery manufacturer, has announced the acquisition of the Vacuum Candy Machinery Company and its subsidiary, the Racine Confectionery Machinery Company of New York. This consolidation should benefit the confectionery and food processing industries by providing them a very complete design, manufacturing, and service center for fully automatic production lines.

John Brocklesby, shown in a scene from a new movie on rehabilitation called "Second Chance," has been named a state Director of the National Sheriffs Association. As Deputy Master of the Middlesex House of Correction in Billerica, Mr. Brocklesby is widely known throughout the state as a leader in the fight against juvenile delinquency and is a popular speaker on this subject.

ROSS - CHAPUT NUPTIALS

Miss Martha Ross, daughter of Mr. and Mrs. Ivan Ross of 14 Hobson Avenue, Wilmington, became the bride of Mr. Forrest Chaput, son of Mr. and Mrs. Roland Chaput of Dracut, at a ten o'clock Nuptial Mass at Saint Dorothy's Church. The double ring ceremony was performed by Rev. David Tyrell. Mr. William Noll was the organist and soloist was Mr. James O'Keefe.

Given in marriage by her father, the bride wore a gown of Bouquet Taffeta, princess style, with scoop neckline of French embroidered Alencon lace trimmed with simulated pearls, traditional long pointed sleeves, skirt ending in chapel length train and showing a bustle panel. French illusion fell from a taffeta and lace hat trimmed with pearls. She carried a prayer book with white orchid and streamers of stephenotis.

Matron of honor for her, was her sister, Mrs. John Otis of Tewksbury who wore a floor length gown of nylon and lace in shrimp pink. She carried a cascade bouquet of blue and white carnations and mums. The bridesmaid, Miss Patricia Costello, friend of the bride was similarly attired in evening blue and carried a pink bouquet. Matching bow headpieces of net entwined with pearls and short circular veils completed their outfits.

Best man was Mr. Frank Barthell of Dracut. The ushers were Mr. Roland Chaput, brother of the groom and Mr. Walter and Mr. William Ross, brothers of the bride. Miss Lorraine Chaput, of Miami, Florida was in charge of the guest book. The bride's mother wore rose beige lace over taffeta with matching accessories and a corsage of baby pinks. Mrs. Chaput, mother of the groom, chose moss green tiered lace and had a corsage of yellow rosebuds.

A reception was held in the garden of the 'Car and Anchor' in North Reading followed by dinner for the family and a few close friends of the couple.

Mrs. Chaput graduated from Wilmington High School. Class of 1956, she is in the U.S. Navy, stationed at Newport, Rhode Island, where she is assigned to the Chaplains Office at the Officer Candidate School.

Mr. Chaput graduated from Essex Agricultural School in 1952, served with the U.S. Army in France, and since his return is employed as a laboratory technician for the Whiting Milk Company.

Mr. Hastings, very active in Little League, Booster Club and Pony League has attended the series in Pennsylvania for the last five years.

Hope you had a wonderful time, and an enjoyable trip home.

Lower Main Street has been improving in its looks in the past few months, but recently it is being cluttered up with rubbish being transported to the Town Dump.

Residents are complaining

DOWNS FAMILY RETURNS FROM VERMONT

Mr. and Mrs. Francis Downs of Ayotte Street returned Sunday from a two weeks vacation in Montpelier, Vermont, where they visited with Mr. Down's aunt and uncle, Mr. and Mrs. Tucker.

Accompanying them on the trip were their children, Bill, Glenna and Frank and Mr. Glen Downs of Woburn Street. Francis Downs is Superintendent of Wilmington's Cemetery Department.

that rubbish is lost on the trip to the dump, and blows directly on their lawns.

Yes, even empty bottles and cans.

Let us all be more careful and considerate in this matter.

Mr. and Mrs. Lindsey Bouvier Jr., and his family of Middlesex Avenue have been relating their experiences during their vacation trip out West.

They were amazed to make an acquaintance in Montana, only to find they had relations in No. 1 Wilmington.

They were even more amazed to find a bear who was trying to raid the ice box of their trailer for food!

Just noticed that the new Suppliers Auto Parts, a machine shop service in the Gardner Professional Building has opened its doors for business.

Rather handy to have such a shop in the community.

The Wilmington Grange will hold their regular meeting on Wednesday, September 9, and this will be the last meeting before the Annual Fair which is to be held on Friday and Saturday, September 11 and 12.

If you have any entries to be judged, they must be at the Grange hall by 1 o'clock on Friday. Mrs. Jeanette Rocco will be there to accept all entries from 10 a.m. to 1 p.m.

The following list is the types of tables to be arranged at the Fair this year: Parcel post table, novelty, fancy work and aprons, baby table, plants, white elephant, cooked foods, penny sale and the refreshment table.

Anyone in Wilmington is eligible to make an entry as long as the article presented was made or grown by the person making the entry. No age limit.

Well, our children will be starting school next week, and some of them will be reluctant while others will be glad to get into the routine again.

Again we are faced with double sessions, but with cooperation and understanding the program should work out very well. We must remember that school buses will be transporting pupils more than usual, and alertness in our travels is a must. Once again, let us make this year a safe year for our school children.

THE OTHER DAY

We learned some more facts about submarines that we thought interesting enough to pass along to you. It seems that prior to World War I the submarine saw very little actual warfare, but during that period it engaged in some pretty weird 'set-tos,' besides firmly establishing itself as a major weapon of modern warfare.

For example, there is the case of the British sub G-II which was captured by an abandoned German balloon. It seems that while surfaced, the sub tried to engage the balloon which was hovering nearby. Soon the balloon was directly overhead and so near the water that its trailing lines became enmeshed with the sub's screws. The sub then was helpless. It had to shoot down the gas bag and then work for hours to free its propellers before it could resume its patrol. Then there are the cases of the subs that were captured by cavalry, rammed by trucks, slugged it out with infantry, railway and field artillery. One sank an active zeppelin, and won was even attacked by a mad Turk in a rowboat.

As in our business, apparently anything can happen, and usually does, but when prepared for it, as we always try to be, we can give you top satisfaction in just about any situation.
